

# Nova CTF - Mission Negative

Link: <http://novactf.infinityfreeapp.com/>

This page has only one button made up of two colours.

Click For Your Image

On inspecting you will find the colours.

```
<button onclick="location.href = 'pic.html';" id="myButton" class="btn btn-info btn-lg" style="background-color: #644D93;color:#ED79C3;margin-top: 350px;">Click For Your Image</button> == $0
```

Append the colours hex code to the URL, so the resulting URL would be:

<http://novactf.infinityfreeapp.com/644D93ED79C3.html>

On visiting the URL you will find the flag.
