Solution:

Do you know how much million is used for production of Mission: Impossible—Fallout movie????

- The answer is 178 million
- So it is in that row, which is not obviously sorry for that.
- But we don't know in which sheet the flag is: We can use importrange function of sheets in all the sheets and will be able to find the flag on sheet: flag4

- Use importrange from A178:BH178

Solving it - the flag is NOVA{w3`23_901n9_70_ch4n93_7h3_c0u253_0f_h15702y_0f_h15702y}
